### Message from Mr Bullivant

What another fantastic week we have had at Cherry Tree Academy! It has been wonderful to see our children continuing to demonstrate such enthusiasm for their learning.

This week, our Year 4 children took part in a Home, Fire and Safety workshop, learning some really important messages about keeping themselves and others safe. The children engaged brilliantly with the session and were able to develop their understanding of what to do in different situations and how to make safe choices.

Our Year 5 and Year 6 children have also taken part in a Hate Crime workshop. This provided an important opportunity for our older children to think about respect, equality and the impact that discrimination can have on individuals and communities. The children participated thoughtfully and showed a good understanding of the importance of treating everyone with kindness and respect.

We have also seen some exceptional learning taking place across the school, particularly in writing. Many of our children have now completed their first units of work and it has been fantastic to see the progress they are making. Our Year 5 children have produced some excellent non-chronological reports based on their class text *Hidden Figures*. While in Year 2, the children have been writing persuasive letters linked to their class text *A Journey Home*. I have been particularly proud to see so many children visiting me to proudly share their writing. It is fantastic to see children taking such pride in what they have produced and wanting to celebrate their achievements.

It has also been wonderful to see every class now proudly displaying children's work around the school. Our corridors and classrooms are becoming a fantastic celebration of the learning taking place at Cherry Tree, and it is clear to see the pride our children have in their work.

Our Eco Council have also launched their new campaign to help improve our school environment. They have been getting stuck in by completing litter picks across the school grounds and are doing a fantastic job of encouraging everyone to take pride in our surroundings. Similarly, our School Council have also been working hard to raise awareness of the local foodbank and are supporting the Fill the Van campaign. We will be collecting items ready for the collection on Wednesday 14th October. If you are able to donate any items, please send them into school so that our School Council can help make a difference to local families in our community.

A reminder that our Book Fair is taking place after school. We would love to see lots of our families coming along to browse and purchase a book. Supporting reading at home makes such a difference, and we hope the children enjoy choosing something they are excited to read.

Have a wonderful weekend, and we look forward to another exciting week at Cherry Tree Academy.

Warm regards,

Mr Bullivant

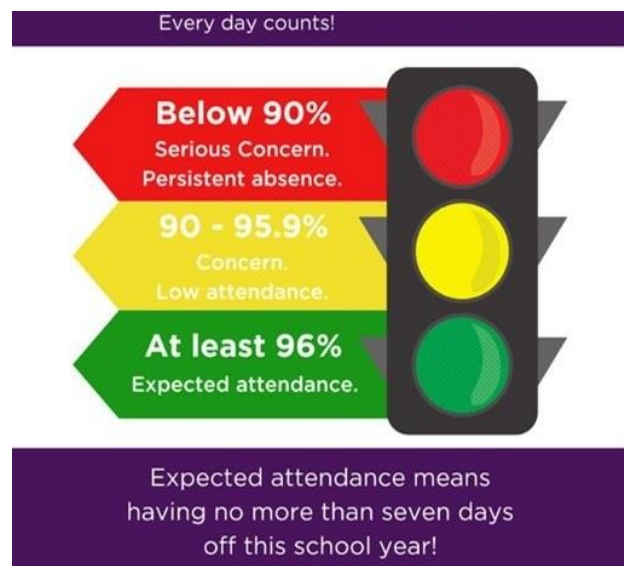

## Attendance Matters

Good attendance is essential for children to make the most of their learning and to fully take part in all the experiences school has to offer. Every day in school really does count, and even small amounts of absence can quickly add up to lost learning time.

To help raise the profile of good attendance across the school, we have recently launched an exciting new initiative called **Attendopoly**. Each week, the three classes with the best attendance — particularly those achieving or exceeding our school target of **96%** — earn the opportunity to roll the dice during our **Celebration Assembly**.

Where they land on the board could lead to a range of exciting prizes for the class, making attendance something we can all celebrate together. - last week Year 4 enjoyed hot chocolate with Miss Symonds!

We look forward to seeing which classes make it onto the Attendopoly board next week. Thank you, as always, for your support in ensuring children arrive at school every day, on time, ready to learn.

#### Attendance results – week ending 9th October 2026

## Early Years Reception Road Safety Session

We are pleased to invite EYFS parents to attend a Road Safety session delivered by the Safer Essex Roads Partnership Education team.

**Date:** 14th October 2026

**Time:** 9am

**Location:** Cherry Tree Academy

The session will begin with a short parent talk, followed by an interactive road safety session for the pupils.

During the session the pupils will learn to cross the road using our road mat, using the Green cross code: Stop, Look, Listen and Think!

The informative 45-minute presentation aims to equip both parents/carers and pupils with vital road safety knowledge. It will allow you to reinforce the key messages at home, ensuring your child understands and practices road safety consistently.

## School Photos

Individual and sibling photos will take place on Thursday 22nd October 2026

Please ensure your child is in the correct uniform. If you would like younger siblings in the photos, please arrange for your children to be at school from 8.20am and enter the school through the side gate. Siblings that already attend school will be done later on in the session.

Thank you

## FILL THE VAN!

Colchester Foodbank came to talk to us about the great work they do. After the success of their Fill the Van Plan last year, they are looking to make this year bigger and better!

We have pledged to collect as much food as we can and the foodbank will collect from Cherry Tree Academy on Wednesday 14th October 2026. Anything you can donate will be gratefully received and we thank you in advance for your support.

## Would you like to work with us?

## ATTENDANCE

### **Why attendance is such an important priority.**

At Cherry Tree, we know that every school day matters.

Being in school is about so much more than attending lessons. It is where children learn new skills, build friendships, develop confidence, enjoy routines and take part in the wider opportunities that make school such a special place. Learning builds over time, so missing school regularly can make it harder for children to keep up and feel fully connected to school life.

### **Why we may contact you.**

We completely understand that children sometimes become genuinely unwell, and also appreciate that families can face challenges from time to time.

Knowing the reason for an absence does not always mean that we are legally able to authorise it, but we will always want to understand your circumstances. Our approach is always to begin with a conversation and, wherever possible, to offer support. If illness, anxiety or family circumstances are affecting your child's attendance, please talk to us as early as you can so that we can work together to help.

If attendance starts to become a concern, or if unauthorised absences are recorded, you may receive a phone call or letter. Please don't see this as a criticism or as us trying to catch anyone out. It is simply part of our responsibility to ensure every child receives the education they are entitled to and to maintain the excellent attendance culture that benefits our whole school community.

### **What the law says.**

Parents and carers have a legal responsibility to make sure that children of compulsory school age attend school regularly.

Schools are also required to monitor attendance, follow up on absences and, where necessary, work with the local authority if the national threshold for unauthorised absence is reached.

### **The national threshold**

A penalty notice may be considered if a child has:

- **10 sessions of unauthorised absence within a rolling period of 10 school weeks.**

There are two sessions in each school day, so this is usually the equivalent of five school days. The sessions do not need to be consecutive and can include unauthorised holidays, other unauthorised absences and lateness after the register has closed.

The current penalty notice charges are:

- £80 per parent, per child if paid within 21 days.
- £160 per parent, per child if paid between days 22 and 28.
- A second penalty notice for the same child within three years is £160 per parent, per child.

There is no attendance percentage at which prosecution automatically begins. However, prosecution may follow if a penalty notice is not paid. If the threshold is reached for a third time within three years, after two penalty notices have already been issued, Essex County Council will normally consider prosecution rather than issuing another fine. A successful prosecution can result in a fine of up to £2,500.

**It is important to know that the school does not receive any money from attendance fines. Penalty notices are issued by Essex County Council under the Essex Attendance Code of Conduct.**

## Useful Info

### Autism Anglia

**We'd like to highlight Autism Anglia's Community Connect — a *free* support service specifically for children with neurodiverse needs and their families.**

! No diagnosis needed ! Support available even if your child is just *on a pathway* or you're exploring possible neurodiversity

## Cherry Tree Foodbank

At Cherry Tree, we understand that life can sometimes bring unexpected challenges, and there may be times when a little extra support with food is needed. That's why we're launching the **Cherry Tree Foodbank** — a resource available to all our families whenever it's needed.

To help us keep the foodbank stocked, we welcome donations of **long-life food items**, including:

- Cereals
- Long life milk
- Tinned potatoes
- Pasta and rice
- Sauces
- Tinned vegetables
- Baked beans
- Tinned pies
- Tuna and other canned goods

Every contribution, big or small, makes a real difference.

If you'd like support, please don't hesitate to get in touch. You can call, email, or drop by to speak with me directly. I'll be happy to put together a food hamper for you, and I can also provide food bank vouchers if needed.

Together, we can support one another and make sure no family goes without.

Warm regards,

Miss Symonds

### Communication with school.

When trying to communicate with members of staff at Cherry Tree, please bear in mind that they are working extremely hard with the children.

We aim to acknowledge all parent communication within 48 hours - this includes phone calls and emails.
